## Sponsor a Child at Camp Good Grief

Every summer since 1997, East End Hospice has provided a bereavement camp for children ages 4 to 17 who are struggling with the loss of a parent, sibling, or other close relative.

At Camp Good Grief, children are helped to share painful feelings and have fun at the same time and learn the most important lesson of all: they are not alone in their grief.

East End Hospice provides this camp to children and grieving families completely free of charge. However, it costs over \$1,000 for a child to come to Camp for the week. This summer, over 170 children will attend Camp Good Grief.

**Your donation is fully tax-deductible. Opening Bid is \$1,000.  
Scan QR code below.**

*Thank you for making Camp possible!*

EEH is the only independent, not-for-profit hospice serving Eastern Long Island, including the Towns of East Hampton, Southampton, Shelter Island, Southold, Riverhead and Brookhaven, and Fishers Island. Licensed professionals and more than 100 trained volunteers care for patients in homes, hospitals, skilled nursing, and assisted living facilities across 430 square miles and at our Kanas Center for Hospice Care, the region's only dedicated hospice facility.

We care for more than 800 patients, support caregivers, family, and friends, and provide grief and bereavement services to hundreds of community members annually. More than eighty-five families are under our care each day.

Every summer since 1997, East End Hospice sponsors Camp Good Grief, a weeklong children's bereavement day camp, free of charge to any child who has experienced the loss of a parent or loved one. This summer 170 children and teens will begin to cope with the loss of a family member.

All hospice programs, including Camp Good Grief, the Zinberg Family Bereavement Center and the Kanas Center for Hospice Care are made possible with your generous help! Thank you!
