Dear Friends:

Tonight we celebrate East End Hospice's incredible care for friends and neighbors across 450+ square miles of Eastern Long Island. I'm proud to share that EEH stands out among hospices across Long Island and New York City for care quality and caregiver satisfaction. **Last August we received a five-star rating from the Centers for Medicare and Medicaid Services – a first for hospices in our region – and we continue to lead in the rankings.**

So much of East End Hospice's success is derived from you – our community of supporters. Thank you for joining us for our Annual Summer Gala and for making East End Hospice a part of your charitable giving throughout the year.

East End Hospice is Eastern Long Island's only independent, community-based, not-for-profit hospice provider. Patients and families know to call us when they need the care and support necessary to manage terminal illness. **We receive more referrals to hospice directly from patients and their families than any other source, including physicians and area hospitals.**

In many cases, it's a conversation with a friend, neighbor, or even an EEH employee that prompts families to call us to learn about the services we offer, including nursing visits, emotional support from licensed social workers, hospice aides who provide personal care, and volunteers who offer companionship, as well as, prescriptions, medical equipment, and the services of our Kanas Center for Hospice Care, the region's only dedicated hospice facility.

Many of you have personally experienced East End Hospice's exceptional care. You champion our work through your attendance here tonight and by sharing your association with EEH. At a time when healthcare providers are flooding the East End, your support for EEH is more important than ever. It is vital to our continued operations and commitment to offering every patient, caregiver, and grieving family personalized, high-quality care at no cost.

With your help, I remain committed to improving lives across Eastern Long Island. Thank you.

Gratefully,

Mary Crosby, RN, MPH  
President & CEO

Dear Friends,

Thank you for joining us for East End Hospice's "Seaside Soirée." Proceeds from the annual Summer Gala are vital to our mission to improve lives through expert care, comfort, and compassion. Your support tonight, and throughout the year, helps us care for more than 800 patients, support caregivers, families, and friends, and provide grief and bereavement services to hundreds of community members each year.

Tonight we celebrate our Honorary Chairpersons, Robin and Reuben Jeffery, long-time Quogue residents whose 40 Second Neck Lane estate has served as the backdrop for our festivities since 2017. Robin and Reuben, thank you for your commitment to our cause and our community. We extend our 23rd Annual Dorothy P. Savage Good Samaritan Award to The Countess Moira Charitable Foundation for its long-time support for East End Hospice. Most notably the Countess Moira Charitable Foundation Endowment for Children's Bereavement Programs, which was established in 2022, will provide critical financial support for our children's bereavement programs in perpetuity.

Our Gala Committee, led by Co-Chairs Paula Palumbo and Thomas Diffley and Junior Committee Chairperson Harrison Messer, work tirelessly throughout the year to ensure this evening's success. Thank you for all you do to make tonight EEH's largest fundraising event. Your efforts and enthusiasm for EEH are rivaled only by our dedicated staff and volunteers.

East End Hospice is the East End's only independent, not-for-profit hospice, and a leader among Long Island and New York City-based hospices in quality and caregiver satisfaction. Under the leadership of our President & CEO, Mary Crosby, RN, MPH, our team of 100 staff and more than 150 dedicated volunteers provide what one family recently described as "the compassionate guidance and gentle, loving care that enabled our mom to leave us with grace and dignity."

With your help, our communities have access to best-in-class care provided by a dedicated team based right here on the East End. Thank you for your support and for celebrating East End Hospice's vital contributions to the well-being of our community with us.

Sincerely,

Peter C. Halstead  
Chairman

## 2024 Honorary Chairpersons

# ROBIN AND REUBEN JEFFERY

Robin and Reuben Jeffery are proud to support East End Hospice and are honored and humbled to be Honorary Co-Chairs of the 2024 Gala. We are grateful to East End Hospice with its incredible staff and volunteers who tirelessly give of themselves to help those in need.

The Jeffery Family has deep roots in Quogue. In the early 1950's Robin's grandparents Eleanor and Clinton Griffith purchased the eastern section of the Penniman's Point estate consisting of 80 acres and a hunting cottage. Robin's grandparents, parents, relatives, and much later Robin and Reuben have built homes on what is now Second Neck Lane. The Jeffery Family is thankful to still live on the point with enough open land to share with East End Hospice for its spectacular Summer Gala.

**23rd Annual  
Dorothy P. Savage  
Good Samaritan Award Recipient**

**THE COUNTESS MOIRA CHARITABLE FOUNDATION  
(CMF)**

The Countess Moira Charitable Foundation (CMF) was established in 2000 as a charitable organization through which our extended family could share the honor and duty of giving to those in need. The unique name of the Foundation derived from a client and friend of the original founder, Edward W.T. Gray, III. Upon starting the Foundation, the client matched his initial funding and others have also graciously contributed to the funding of the CMF.

A private organization, we operate as, essentially, a family foundation united by the ideals of philanthropy. Embracing philanthropy from the root of the word, “love of humankind,” we are committed to assisting community-based projects and activities that directly enhance the lives of the organization’s participants. The CMF believes in the importance of service to the multiple communities in which we live and are employed, as well as to the worldwide community.

The foundation’s mission is to aid the well-being of youth anywhere in the world by supporting charitable organizations that focus on improving the quality of life in their communities. To achieve this goal, the CMF, over the years, has evolved into a grant-based foundation where the Trustees focus on funding models that will promote the well-being of youth, either individually or collectively.

The Countess Moira Charitable Foundation takes special pride in supporting East End Hospice and the incredibly compassionate work that it accomplishes. The CMF has been particularly dedicated to supporting the bereavement and grief counseling programs and, specifically, the work of Camp Good Grief. The CMF believes that creating endowments serves as a key component of long-term organizational well-being. We are proud to have pledged and provided East End Hospice with endowment support for its children’s bereavement programs, including Camp Good Grief.

The CMF has also supported myriad community programs in science education, arts access and education, programs for at-risk youth and their families, as well as other community-based programs. Our Long Island partners and organizational grant recipients address such issues as poverty, literacy, domestic violence, illness, incarceration, disaster relief, and foster care. Additional examples of recipient agencies’ missions that are augmented or supported by the CMF are domestic violence shelters, food and milk banks, hospitals, community centers, prisoner rehabilitation centers, HIV/AIDS clinics, and various camp programs or activities. Ultimately, the CMF is committed to providing resources to make the world a better place. Through the work of the CMF, we seek to strengthen individuals’ lives, organizations’ efforts, and the multiple communities where we live, learn, and work.

We believe that our communities are in a moment where no matter what resources we have—be it in dollars, in time volunteering, in both small and grand acts of kindness—we all have a role to play in supporting each other and contributing to positive change at this pivotal point in history. Tonight, we celebrate East End Hospice and the invaluable service it provides to our community. We thank you for your generous support. Give now to East End Hospice. Give more than you think you can.

Dear Friends of East End Hospice:

We are delighted to host this year's EEH Gala, "Seaside Soirée" and we are sure this will be one of the highlights of your summer season - special friends, family, amazing food and entertainment, and most importantly, all of us here to support the dedicated and compassionate work of East End Hospice and Camp Good Grief.

There are so many people who work tirelessly each year to make this Gala the special event that it is, and our heartfelt thanks go out to each and every one of them.

Special thanks to this year's Honorees, Robin and Reuben Jeffery who have once again donated this beautiful waterfront property to host this event, and their unwavering support in our mission at EEH. Without your special gift to use this stunning property year after year, this gala would not be the same. Robin and Reuben- the world needs more individuals like you.

Many thanks to The Countess Moira Charitable Foundation, the recipient of our 2024 Good Samaritan Award. This foundation which is dedicated to the improvement of life for young children worldwide has generously donated to East End Hospice over the years. For that, we are forever grateful.

Thank you to our dedicated committee members and volunteers for all that you do to help make this event so special...coming together months before the gala with ideas that bloom into this very special evening. Each of you has been a vital part of this effort and we are very blessed to have you on board.

A special thanks to Betty Ann Catanzaro, Renee Barriere and kudos to the entire creative team, who have outdone themselves once again by designing a magical seaside tableau for us to enjoy. Amazing!

Finally, to Theresa Murphy, Debbie Doyle, and your entire team...Each year, we express our gratitude, and it remains the absolute truth: YOU are the cornerstone of everything we do. Your unwavering dedication, support, love, and passion are truly extraordinary and deeply appreciated. Thank you for your steadfast devotion to this cause.

## Memorial Rock Garden

East End Hospice's Memorial Rock Garden provides a lasting opportunity to remember loved ones while supporting East End Hospice's mission of providing expert hospice care to all who need it. Nestled amongst native plantings and fountains, the Memorial Rock Garden prominently features engraved river stones.

### You Can Help Our Memorial Rock Garden Grow

For a \$250 donation, you can dedicate a personalized stone and create a permanent legacy in our Memorial Rock Garden. It's a beautiful tribute to a person that held a special place in your life. Your donation helps provide for upgrades, improvements, ongoing maintenance and support for programs that enhance the care provided at our state-of-the-art hospice facility, the only facility of its kind on the East End.

**Order your engraved stone online at [www.eeh.org/donate](http://www.eeh.org/donate)**

**Join us Thursday, July 11, 2024 at 4pm as we honor and remember those for whom stones have been dedicated this past year.**

For more information call Christine at 631.288.7080 or email [cmichne@eeh.org](mailto:cmichne@eeh.org).

East End Hospice is dedicated to improving lives across Eastern Long Island through expert care, comfort, and compassion for terminally ill patients, caregivers and grieving families.

## HOME HOSPICE SERVICES

EEH develops an individualized plan of care for every patient in consultation with the patient's primary care provider and EEH's Medical Director. The plan includes nursing, personal care, social work and emotional support, as well as equipment and medications.

## KANAS CENTER FOR HOSPICE CARE

Since 2016, EEH's inpatient facility has accommodated patients whose pain or symptoms are better managed with round-the-clock nursing and equipment that can't be brought into patient homes. The Kanas Center for Hospice Care is the East End's only dedicated hospice facility.

## ZINBERG FAMILY BEREAVEMENT CENTER

Grief and bereavement counseling, including individual, group, art, music, equine, Spanish-language therapy, Camp Good Grief and special programs, is available to anyone in the community, including the families of our Hospice patients. More than 250 community members find comfort and support through the Zinberg Family Bereavement Center each year.

# Volunteers: The Gift of Caring

At East End Hospice, we empower our patients to live each day as fully as possible. As Eastern Long Island's only independent, not-for-profit hospice, established in 1991, we are committed to helping East End residents cope with the end-stages of life. We focus on providing our patients and families with exceptional hospice care because life is valuable, and every moment is precious.

Volunteers are an essential part of our interdisciplinary team. With a commitment of a few hours or more each month, Hospice Volunteers bring the gift of caring to the lives of our patients and families, simply by offering their reassuring hospice presence of companionship, support, and kindness.

Hospice Volunteers are trained to meet the needs of patients, family members and caregivers. Hospice volunteers often connect with patients on a deep, personal level, which allows the East End Hospice Team to gain important insights regarding the overall impact of the level of comfort and care that is provided. Hospice Volunteers do not provide hands-on care. They provide valuable assistance to our families and to our staff.

## WHO IS A HOSPICE VOLUNTEER?

Someone who is...

Patient, kind, thoughtful, caring, friendly, a good listener, comfortable with silence, dependable, a positive presence during a difficult time, non-judgmental and respectful.

Are you that someone?

## WHO CAN BE A HOSPICE VOLUNTEER?

All who would like to volunteer are encouraged to apply.

During the onboarding process, there are certain requirements which include an interview, background check, completion of East End Hospice's volunteer training, etc.

## OUR COMMITMENT TO YOU:

- Flexible schedule and convenient location
- Consistent and accessible staff support
- Ongoing guidance and education
- Confidential volunteer support groups

## WHAT CAN A HOSPICE VOLUNTEER DO?

- Listen and be a comforting hospice presence
- Bring the outside world to someone who is homebound
- Visit in the home, hospital, nursing home or Kanas Center for Hospice Care
- Offer companionship
- Provide respite for caregivers
- Help celebrate special occasions
- Prepare light meals
- Provide transportation
- Share times of joy and sadness
- Make bereavement phone calls or visits
- Volunteer at Camp Good Grief
- Assist in the EEH offices during weekday hours
- Participate in fundraising events
- Help at the EEH Thrift Shop

## INTERESTED IN BECOMING A HOSPICE VOLUNTEER?

Please contact our Hospice Volunteer Coordinator Susan DiSario, RN at 631.288.8400 or at [volunteers@eeh.org](mailto:volunteers@eeh.org). East End Hospice volunteers are an integral part of our EEH Team. We welcome your questions and interest!

But will they come when you do call for them?
