Dear Dining on The East End Friend,

Since our certification in 1991, East End Hospice has been Eastern Long Island's only independent, not-for-profit hospice provider. More than 800 terminally ill patients, their caregivers, families and friends, and hundreds of people seeking grief and bereavement support receive our care each year.

Generous support from donors like you allows us to provide the region's highest quality care at no cost to our patients or their families.

I invite you to support East End Hospice during our 25th "Dining on the East End" fundraiser. One hundred percent of the proceeds from the sale of this booklet go directly to East End Hospice. More than 30 East End restaurants (listed at left) are offering buy one, get one free, or other discounts to Dining Booklet ticket holders.

We remain grateful to those restaurateurs who make "Dining on the East End" possible, and as a courtesy to them, we kindly remind you to review the "**Important Information**" section of each coupon for redemption details.

If you have any questions or need additional information, please feel free to contact the development office at 631-288-7080.

Happy Dining!

Sincerely,

Mary Crosby
President & CEO
